<i>Less: USA Funds Subsidy</i>	<i>-\$31,750</i>	<i>-\$10,583</i>
Net Price to Participating Institutions	\$24,730	\$8,243

Inclusion in statewide Indiana College Value Index

The Commission's Return on Investment reports will be enhanced to better measure the value of the college degree beyond economic return. The institution agrees to share three to five of the most relevant data points from its Gallup-Indiana College Graduate Survey results for inclusion in the redesigned reports. Please see the attached draft of the Indiana College Value Index for an idea of the data points that may be requested.

Next Steps

To participate in the Gallup-Indiana College Graduate Survey and the statewide Indiana College Value Index Project, please contact Associate Commissioner Sarah Ancel via email at sancel@che.in.gov.

Remember that to get the benefits described an institution must **sign up by August 1, 2015.**
